New Blooms for Canadian Nurseries & Retailers

7/5/2018 - 7/5/2018

Deb's Greenhouse, Sturgeon County, Alberta, Canada

Time: 10:00 a.m. to 3:00 p.m.

New Blooms is dedicated to bringing new and exciting plants to western Canada's independent growers and retailers. This one day event will be showcasing dozens of new plant varieties from multiple breeders in a side-by-side container trial grown by High Q Greenhouses, as well as new variety and cultural presentations from breeding companies across the world. In addition, attendees will have the chance to network with their peers throughout our industry, sharing ideas and successes.
