Irrigation Show & Education Conference

11/6/2017 - 11/10/2017

Orange County Convention Center, Orlando, Florida

The Irrigation Association's annual Irrigation Show is the world's largest irrigation exhibition. Show highlights include more than 300 exhibitors for agriculture, landscape and golf irrigation; networking with decision-makers on the show floor and at social events; insight sessions on industry trends and initiatives for water-use efficiency and sustainability; and technical sessions, seminars and education classes.
