## California Summer Vegetable Trials

8/14/2017 - 8/19/2017

### California

Vegetable breeding companies dealing in the Fresh Market and Home Garden segments are hosting the Summer Vegetable Trials via Open Houses and Field Days. Organized by the National Garden Bureau, this event is hosted by five breeders in seven locations. Modeled after the long-standing California Spring Trials, attendees will have the opportunity to visit breeder company trial sites throughout the state in the month of August.

Breeders hosting a Field Day or Open House are:
