World Market Center Las Vegas Market, Las Vegas, Nevada

With safety in mind, changes to registration and attendance policies to encourage social distancing and minimize touch points this summer entail a required pre-registration to minimize physical contact. Buyers may register for one of two sessions: Session A: Aug 30â€"Sept 1 or Session B: Sept 1â€"Sept 3. These sessions are designed to help spread the volume of attendees across Market days and support social distancing efforts. Sessions may reach a capacity limit, at which time you will be encouraged to register for an alternate session.
