CropKing Hydroponic Grower Training Workshop

12/7/2017 - 12/8/2017

CropKing, Lodi Ohio

This two day hydroponic grower training workshop takes place at CropKing's headquarters. This course spends half of the day in a classroom setting, and half of the day in a CropKing greenhouse from the surrounding area. It was created to give people that want to get involved in commercial hydroponics a crash course on what it would be like to start and run a hydroponic business. Space is limited so sign up today!
