CEAC Annual Greenhouse Crop Production & Engineering Design Short Course

3/12/2018 - 3/16/2018

The University of Arizona Controlled Environment Agriculture Center, Tucson, Arizona

University of Arizona's Controlled Environment Agriculture Center (CEAC) will be hosting its annual Greenhouse Crop Production & Engineering Design Short Course. The name may be long, but the event is packed with advanced lectures, greenhouse tours, hands-on workshops and networking opportunities.
