National Floriculture Forum (NFF)

3/1/2018 - 3/4/2018

Lakeside Inn, Mt Dora, Florida

The National Floriculture Forum (NFF) is an annual educational meeting for greenhouse growers, industry leaders, university faculty, graduate students and government scientists from academic institutions, governmental agencies and the greenhouse industry. Visits include three growing operations, one in an America in Bloom award-winning city, a botanical garden, and an optional visit to the Epcot International Flower and Garden Festival.
