

CAPTAIN  
CALLA

## Captain Calla Days

6/5/2018 - 6/8/2018

Kapiteyn, Anna Paulowna, The Netherlands

The preparations are in full swing. Kapiteyn has planted more than 3,000 Calla tubers for different tests. The Cut Callas are planted on a Gerbera system and the Pot Callas are planted in pots of various sizes. You'll also be able to look at the results of different storage and growing tests.
