American Horticultural Therapy Association (AHTA) Annual Conference

10/4/2018 - 10/6/2018

Sheraton Denver West Hotel, Lakewood, Colorado

The 2018 conference will focus on Planting with a Purpose: Engaging in Horticultural Therapy. Pre-tours on October 4th will feature an informative behind-the-scenes look at local HT programs and gardens. While immersed in the foothills and mountainous landscape of Denver, connect with horticulture and therapy focused professionals from around the world in meaningful connections, professional development opportunities and engaging and interactive sessions.
