Integrated Pest Management (IPM) Symposium

9/27/2018 - 9/27/2018

The North Carolina Arboretum Education Center, Asheville, North Carolina

Hosted by The North Carolina Arboretum in conjunction with The North Carolina Cooperative Extension Service. The 8th annual Integrated Pest Management Symposium is for industry professionals only who work with beneficial insects to manage pests on greenhouse, nursery and farm crops. Participants who attend the full-day conference will have the opportunity to receive pesticide credits and Continuing Education Units (CEUs) in Georgia, North Carolina, South Carolina and Tennessee.
