## IGIA Oregon Nursery Tour

8/18/2019 - 8/21/2019

Portland Oregon area

Each year, the IGIA Growers Committee plans an event where attendees tour member grower facilities. This affords the opportunity for both members and non-members to learn more about the unique growing operations producing quality nursery stock right in our back yards. Consider bringing your team to this year's event so you can connect with our network of growers.
