## Horticultural Lighting Workshop: Are LEDs Right For You?

6/26/2019 - 6/26/2019

Kalamazoo Expo Center, Kalamazoo, Michigan

Have you been thinking about using light-emitting diode (LED) lights in your greenhouse or growing area? Join this free afternoon workshop on conventional and LED lights featuring Dr. Erik Runkle and Dr. Roberto Lopez from the Michigan State University Dept. of Horticulture. Topics include lighting strategies, wavelength combinations, lamp efficacies, fixture costs, and return on investment. Bonus tour after workshop. Visit the website for more information and registration.
